

REDUCE the BURDEN

North Carolina Diabetes Advisory Council

Ronny Bell, Chair

Department of Public Health,
East Carolina University

Jan Nicollerat, Vice Chair

Adult Clinical Nurse Specialist,
Diabetes and CDE

The Diabetes Advisory Council (DAC) is an advocacy group working to **reduce the burden** of diabetes through coordination among stakeholders in diabetes prevention and management in North Carolina.

Core Responsibilities include:

Emphasize screening and prevention, early detection, treatment and self-management training for diabetes prevention and control as a health priority for all North Carolinians.

Use clinical advancements, data and technology to provide scientific credibility and public validity for new service priority areas and interventions.

Foster interagency collaboration and networking for identification, utilization and expansion of resources for diabetes prevention and control services.

Evaluate, present and propose strategies for the prevention and control of diabetes in North Carolina in terms of assessed need, estimated costs, potential benefits and probability of success of each strategy.

2018 Meeting Times:

February 9, 2018

June 1, 2018

October 26, 2018
